

SILICONE CONNECTORS

Getting the boost leak-free from your Turbonetics' turbocharger to the engine is a breeze with our versatile selection of silicone connectors. Made from multi-layer silicone with fiberglass reinforcements, these connectors withstand the highest boost pressures and temperatures.

HUMP NOSE

TRANSITION HOSES (BLACK)	PN
3" to 4"	30502-4

SIZE	3 FT. HOSE (0.188" WALL) BLACK, 30 PSI	COUPLING (0.125" WALL) BACKS	HUMP BLACK
3"	30352-300-BK	30162-4	30435-4
4"		30302-4	

T-BOLT CLAMPS

Much stronger than conventional "worm drive" clamps, these stainless steel T-clamps are 0.75" wide to protect the silicone hoses and include temperatures, pressures and vibration.

NEWGEN 51MM WASTEGATE		
Hose ID	Clamp Diameter Range	PN
1.50"	1.69" - 1.94"	30275-155
1.75"	1.94" - 2.25"	30275-175
2.00"	2.19" - 2.44"	30275-200
2.25"	2.44" - 2.75"	30275-225
