

1950-51 LAMPHOUSE ANNUAL

FIELD CABLE

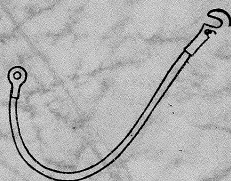

Metal Reels containing approx. 60 yds. Twin Twisted Yellow and Black stranded (6 Iron 1 Copper) flexible Cable. Insulated with plastic P.V.C. Excellent for telephones, bells, etc. etc.
Cat. No. AX1189 **18/6** each

METAL REELS

8½in. Diameter Metal Reels complete with small winding handle and anchoring brackets. Will hold approximately 70 to 100 yards single wire cable. Many uses can be found for these reels such as, garden hose winders, clothes line winders, boys hoops and dozens of other uses. Another bulk purchase from War Assets enables us to sell these at.
Cat. No. AX1082 **1/6** each

RUBBER COVERED LEADS

Stranded flexible copper wire heavily insulated with rubber (like cabtyre) with eyelet type lug (½in. diameter) on one end and heavy spade lug on the other.

Cat. No. AX1351—6in. lead .. **5**D. each
Cat. No. AX1074—12in. lead .. **6**D. each
Cat. No. AX1352—16in. lead .. **8**D. each

37-AMP SINGLE FLEX

Multi-strand copper Flex insulated with rubber and covered overall with cotton braid. Ideal for small welder leads, etc.
Cat. No. AX1452 **1/6** yard

4-AMP SINGLE FLEX

Rubber insulated and cotton braided stranded cable.
Cat. No. AX1451 **3**D. yard

UNIPROOF CABLES

Flexible cable, Copper core insulated with rubber and braided overall with yellow proofing. Ideal for lead in wires, set connectors, etc.

Cat. No. AX1456—16/012 Single 7 Amp. 12/6 per 100 yd. coil, 3d. yd. or 2/- doz. yds.
Cat. No. AX1455—44/012 Single 19 Amp. 15/- per 100 yd. coil, 3d. yd. or 2/4 doz. yds.

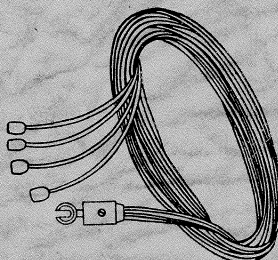

HIGH TENSION CABLE

Very flexible insulated cable. Ideal for any purpose requiring a very flexible insulated cable, the heavy rubber insulation makes it suitable for high tension. Copper flexible core (16/012) Rubber insulated.

Cat. No. AX1458—7 M/M.

25/- per 100 yards or **4**D. yard.

COUNTERPOISE LEADS

This counterpoise is made up of four 12ft. lengths of rubber-covered flex terminating in a spade lug type junction box.
Cat. No. AX1072 **2/11** set

BARE WIRES

BRASS WIRE

Bare Brass Wire in coils of about 40ft. 17 S.W.G. Many useful purposes.
Cat. No. AX1488 **9**D. each

TINNED COPPER WIRE

50ft. Coils 23 S.W.G. Bare Copper wire for set wiring, etc.
Cat. No. AX1105 **1/6** coil

25ft. Coils 18 S.W.G. Tinned Copper Wire.
Cat. No. AX1101 **1/6** coil

SHIELDED POWER FLEX

Stranded insulated Flexible 3-core Cable, covered overall with woven metal braid.

Cat. No. AX1462—23/0076 .. **2/6** yard

Cat. No. AX1463—40/0076 .. **2/6** yard

Cat. No. AX1464—14/0076 .. **2/6** yard

7/044 T.R.S. CABLE

Small quantity only available — Cabtyre T.R.S. 7/044 while stocks last.

Cat. No. AX1457—

ONLY **8**D. yard; **50/-** 100 yards

1/20 V.I.R. CABLE

20 S.W.G. Copper Wire, V.I.R. insulated. Excellent for connections, bell work, etc., etc.
Cat. No. AX1504—

1D. foot or **1/6** for 20 feet

MICROPHONE CORDS

Surplus from Army Microphones. 6ft. in length; 3 wires terminating in neatly formed rings at each end. Each lead is individually coloured. Cotton braiding overall. Many other purposes can be found for these high quality 3 wire cords. Would cost twice the price to manufacture.
Cat. No. AX1236 **1/6** each

SHORT LENGTH WIRES

Four single lengths of rubber or braided cord twisted together. Each piece 2ft. 6in. in length. General purpose connecting wire. Because these are in cut lengths it reduces their value—so out they go.

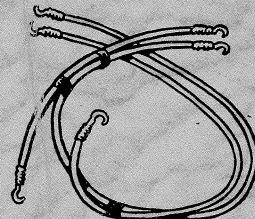

Cat. No. AX1181 **4**D. Set

ZC1 2 WIRE POWER LEADS

Heavy Power Leads. Rubber insulation over heavy conductors. Leads are 4ft. in length and terminate in right angle spade lugs. Two leads to a set.

Cat. No. AX1186 **1/3** Set

POWER LEADS

Comprises 3 pieces of Single, Heavy Core Rubber Flex in lengths of 3½ft., 5½ft., and 1½ft. The 4 ends finish off with heavy spade lugs.

Cat. No. AX1037 **1/6** set

SPEAKER CABLE

WIRES SUITABLE FOR SPEAKER EXTENSIONS, TALK BACK SYSTEMS, BELL INSTALLATIONS AND SIMILAR PURPOSES.

2-Wire Rubber-Covered Flexible Wire, covered overall with a waterproof braid.
Cat. No. AW87 **4**D. Yard

RESISTANCE WIRE

To be sold for a fraction of its original cost. For elements, resistances, etc., etc. Sold in reel lots only.

Cromaloy IV, 40 B & S. gauge, 190 ohms per yard, 8 to 10oz. reels.
Cat. No. AX1237 **2/6** oz.

Cromaloy IV, 42 B. & S. gauge, 269.7 ohms per yard, 8 to 14oz. reels.
Cat. No. AX1257 **2/6** oz.

Cromaloy IV, 46 B. & S. gauge, 650 ohms per yard, 4oz. reels.
Cat. No. AX1258 **2/9** oz.

H.T. MOTOR-CAR CABLE

Rubber covered 7MM. H.T. Cable. Flexible cable for motor-cars, etc. Excellent wire and look at this price!

Cat. No. AX1472 ONLY **4**D. yard

ANOTHER H.T. SPECIAL

19/012 Steel stranded Ignition H.T. Cable. YES—100 YARDS FOR 15/-—IT'S A GIFT! 100 yard coils.
Cat. No. AX1473 **15/-** each
