

SKU/Part Number: PSCF6C-03D002

Toshiba Direct Exclusive

Productivity and basic portability-all at a great price

- Intel® Celeron® 1005M
- Windows 8
- 4GB DDR3, 500GB HDD

Processor

Intel® Celeron® 1005M Processor (1.9GHz, 2MB L3 Cache) with Enhanced Intel® SpeedStep® Technology

Operating System

Windows 8

Key Features

HDMI
USB 3.0
Toshiba HDD Shock Protection
Toshiba HDD Accelerator
Toshiba Audio Enhancement

Memory

Standard Memory: 4GB DDR3 (1600 MHz)
Expansion Modules: 2GB, 4GB or 8GB DDR3
Maximum Memory: 16GB DDR3

Storage

500GB (5400 RPM); Serial-ATA hard disk drive

Optical Drive

DVD SuperMulti (+/-R double layer) drive
Maximum speed and compatibility:
Read: CD-ROM (24x), DVD-ROM (8x)
Write: CD-R (24x), CD-RW (4x), DVD-R (8x), DVD-R DL (6x), DVD-RW (6x), DVD+R (8x), DVD+R DL (6x)
DVD+RW (8x), DVD-RAM (5x)

Display System

Type: 16:9 TFT Active Matrix colour LCD display with LED backlight
Size (diagonal): 15.6" HD LED
Native LCD Panel Resolution: 1366x768x16.7 million colours
External Support and Max. Colour Support (dependent on display): Up to 2,048 x 1536 x 16.7 million colours

Graphics Controller

Intel® HD Graphics (Integrated) with up to 1766MB (64bit OS) dynamically allocated shared graphics memory with 4GB of system memory.

Communication

Realtek 802.11 b/g/n Wireless LAN
10/100Mbps Integrated Ethernet LAN
Integrated HD Web Camera (w/ Built-in Mic)

Sound System

Realtek ALC269Q-VB6-GR Software Sound, High Definition Audio Link, Built-in stereo speakers

Expansion

2 memory slots – Slot 1 has 4GB. Slot 2 is empty. Slots can be filled with 2GB, 4GB and 8GB modules
Ports: 2 in 1 Bridge Media Slot (SD Card, SDHC Card, SDXC Card, MMC, Mini SD Card, Micro SD Card), 1xUSB 3.0, 2xUSB 2.0, RJ45, external microphone port, headphone port, RGB, HDMI

Keyboard

Canadian Bilingual Keyboard
102 keys with keypad
Colour: Flat Black

Pointing Device

Touchpad with Gesture Control

Additional Software

TOSHIBA Value Added Software
Amazon
Microsoft® Office Trial
Intel® App Up center
Evernote
Skype
Norton Internet Security™ – trial
Norton Studio – trial
WildTangent®

Physical Dimensions

Dimensions (in mm): (WxDxH) 380 x 242 x 35.25
Weight: Start at 2.39kg (5.27lbs)
Colour: Premium Black

AC Adapter

65W external Universal AC adapter input voltage (100 - 240V 50/60Hz Frequency (Universal), output voltage (19V, 3.42A)
Dimensions: (WxHxD) 108 x 46 x 29.5 mm
Weight: 250g

Battery

Battery Type: Removable, Rechargeable 6-cell Lithium Ion (Li-ion) 10.8V x 48Wh capacity
Battery Life: Up to 4 hours (Dependent on usage)
Dimensions: (WxHxD) 204.48 x 51.75 x 20.15 mm

BIOS

SETUP, ACPI, PnP, VESA, SM BIOS, PCI BIOS Support

Security

Computrace BIOS Support, power on password, supervisor password, HDD password

Environmental Specifications

Temperature: Operating 5° to 35°C (41° to 95°F); Non-Operating -20° to 65°C (-4° to 149°F)
Thermal Gradient: Operating 15°C per hr. max; Non-Operating 20°C per hr. max
Relative Humidity: Operating 20% to 80% non-condensing; Non-Operating: 10% to 90% non-condensing
Altitude (relative to sea level): Operating: 0 to 3,000m; Non-Operating: 0 to 10,000m
Shock: Operating: 10G; Non-Operating: 60G
Vibration: Operating 0.5G; Non-Operating: 1G

Environmental Credentials

ENERGY STAR® Qualified
RoHS
EPEAT Gold

Warranty

This Satellite notebook comes with a one (1) year parts and labour Limited Warranty. Note the original battery is warranted for one year from date of purchase. Pre-installed software is excluded from TCL standard limited warranty. For complete details on this warranty program and other Warranty Programs such as On-site and Next Business Day Service visit toshiba.ca/warranty

Disclaimer

¹Toshiba of Canada Limited Information Systems Group shall not be liable for damages of any kind for use of this information, which is subject to change without notice.

Central Processing Unit ("CPU") Performance Disclaimer: CPU performance in your computer product may vary from specifications under the following conditions:

use of certain external peripheral products use of battery power instead of AC power use of certain multimedia games or videos with special effects use of standard telephone lines or low speed network connections use of complex modeling software, such as high end computer aided design applications use of computer in areas with low air pressure (high altitude >1,000 meters or >3,280 feet above sea level) use of computer at temperatures

outside the range of 5°C to 35°C (41°F to 95°F) or > 25°C (77°F) at high altitude (all temperature references are approximate). CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer product may automatically shutdown. This is a normal protective feature designed to reduce the risk of lost data or damage to the product when used outside recommended conditions. To avoid risk of lost data, always make back-up copies of data by periodically storing it on an external storage medium. For optimum performance, use your computer product only under recommended conditions. Read additional restrictions under "Environmental Conditions" in your product Resource Guide. Contact Toshiba Technical Support for more information.

Hard Disk Drive Disclaimer: 1 Gigabyte (GB) means 1,000,000,000 bytes using powers of 10. The computer operating system, however, reports storage capacity using powers of 2 for the definition of 1 GB = 1,073,741,824 bytes, and therefore shows less storage capacity. Available storage capacity will also be less if the product includes pre-installed operating system and/or application software. Actual formatted capacity may vary.

GPU: Graphics processor unit ("GPU") performance may vary depending on product model, design configuration, applications, power management settings and features utilized. GPU performance is only optimized when operating in AC power mode and may decrease considerably when operating in battery power mode.

Memory: Part of the main system memory may be used by the graphics system for graphics performance and therefore reduce the amount of main system memory available for other computing activities. The amount of main system memory allocated to support graphics may vary depending on the graphics system, applications utilized, system memory size and other factors. For PC's configured with 4 GB of system memory, the full system memory space for computing activities will be considerably less and will vary by model and system configuration.

TFT Display Disclaimer: Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology.

LCD: Over a period of time, and depending on the usage of the computer, the brightness of the LCD screen will deteriorate. This is an intrinsic characteristic of LCD technology. Maximum brightness is only available when operating in AC power mode. Screen will dim when the computer is operated on battery power and you may not be able to increase the brightness of the screen.

Weight: Weight may vary depending on actual configuration.

Battery: Battery life may vary considerably depending on product model, configuration, applications, power management settings and features utilized, as well as the natural performance variations produced by the design of individual components. Published battery life numbers are achieved on select models and configurations tested by Toshiba at the time of publication. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to

be replaced. This is normal for all batteries. To purchase a new battery pack, see the accessories information that shipped with your computer or visit the Toshiba of Canada website at toshiba.ca/accessories

Software: The included additional software is subject to change without notice. No substitution of software permitted. For further information please visit toshiba.ca/support

Subject to Change:

While Toshiba has made every effort at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, prices, system/component/options availability are all subject to change without notice. For the most up-to-date product information about your computer, or to stay current with the various computer software or hardware options, visit Toshiba's website at toshiba.ca/support
