

AMPHENOL Miniature Cylindrical Connectors **Amphenol**[®]

MS TYPE ENVIRONMENTAL MINIATURE BAYONET CONNECTORS (MIL-DTL-26482, SERIES 1)

Features:

- Bayonet couplings with 5 key/keyway polarization
- Visual confirmation of complete mating
- Durable, field-proven design
- Solder contacts
- All connectors shipped assembled and individually packaged

Specifications:

- Temperature Range: -40°F to +185°F (IEC 60068-1)
- Shells: Fabricated from high grade aluminum alloy with an olive drab chromate finish
- Contacts: Machined copper alloy
- Inserts: Black resilient neoprene with white printing

Mating Information:

- Receptacles mate with plugs on the same line.
