

PARVALUX ELECTRIC MOTORS LTD
DECLARATION OF CONFORMITY
EMC - DIRECTIVE - 89/336/EEC 1992 No 2372
Our range of motors (See Catalogue) meet the requirements. In some cases, a filter is required. Testing has been carried out to EN 55014. EMC printed on bottom of Nameplate signifies this. (See "filter operating and installation instructions")

SAFETY - DIRECTIVE - 73/23/EEC 1989 No 728
Our range of motors (See Catalogue) meet the requirements BS 3456 & EN 60204 standards used. All Motors are CE marked.

NOTE: All products manufactured by Parvalux Electric Motors Ltd, meet the requirements of the above directives, any additions, not manufactured or supplied by Parvalux are therefore out of our control and may require further test evaluation to ensure that equipment still meets the requirements.
