LabelMaxx
at a glance

Forget everthing you know about label dispenser - this one is completley different. Ever had a roll of labels, that did not fit into the core? LabelMaxx has an adjustable core and takes size from 1" (25,4 mm) to 4" (101,6 mm). Forget fumbling around while trying to fix the end of the label roll for operation. Enjoy LabelMaxx´s EASY LOAD feature - change from one roll to the other in seconds. LabelMaxx ´C´ handles a wide range of label sizes, from 7/8" (22 mm) to 6" (152 mm) wide, including rectangular, round and even transparent types. No complicated setup: simply plug in, load the labels and you are ready to go. For applications with medium to small quantities, LabelMaxx ´Ce´ might be the answer. The same EASY LOAD feature, combined with a label tray and a front disposal of the backing paper.

Load label roll …

Push satellite roller down …

Ready to go - that´s Easy Load!
