The high-performance camera

Picture-perfect

Being behind the camera is second nature. You love the creativity, the chance to capture the shot you'll be proud to print and share. The EasyShare DX3900 is for you. Thanks to 3.1MP resolution, you'll get excellent picture quality for prints up to 28 x 36cm (11 x 14"). Its 6X zoom (2X optical and 3X digital) lets you get closer to your subject for crisp detail.

Be in creative control

For the ultimate in creative freedom, set your own colour mode, ISO, and lighting exposure settings to get your perfect picture. The DX3900 comes with a COMPACTFLASH memory card. And with the DX3900's optional telephoto, wide-angle, and close-up lens attachments, you can extend your creativity.

Share with ease

If you use the optional KODAK EasyShare Camera Dock, sharing is just as easy. Place your DX3900 in the dock, touch the button, and your pictures are automatically transferred to your computer ready for e-mailing and printing. The Camera Dock will also recharge your camera's battery pack, so you'll always be ready to take more pictures.

The EasyShare System

Shoot a picture, touch the button, and share pictures with your world.
