

Extra-large essential widescreen display with an energy-efficient design

HP LE2201w 22-inch Widescreen LCD Monitor

Enjoy expansive views of your office software, Internet, and e-mail with the redesigned HP LE2201w 22-inch Widescreen LCD Monitor, our most energy-efficient large-screen Essential series monitor ever.

Smart designs, stunning performance, and world-class reliability

HP business monitors offer smart designs, stunning performance, and world-class reliability for intelligent users at every price point. On the HP LE2201w monitor, this means: crisp, clear views of text, graphics, and video from 1000:1 contrast ratio, sharp resolutions to 1680 x 1050, and fast 5 ms response time¹; comfortable viewing from wide 160-degree viewing angles and adjustable vertical tilt; enhanced productivity from a screen size that enables simultaneous views of multiple applications; monitor and color adjustment and theft deterrence enablement through the connected PC with HP Display Assistant.

Designed with the environment in mind

The HP LE2201w is ENERGY STAR® qualified and boasts a number of environmental features to help you make responsible purchases, including: 50% reduction in mercury over previous generation models; complete elimination of BFR, PVC, and arsenic from the panel and stand; minimized power consumption; protection against image retention and lowered energy costs with HP Display LiteSaver.

Customize with a range of options

HP offers a variety of optional products (each sold separately) to help you maximize your monitor investment: use the HP Quick Release to mount the monitor head on a wall or swing arm; create an Integrated Work Center solution by bundling your monitor with an HP Compaq dc7900 Ultra-slim Desktop PC or HP thin client using the HP IWC Stand; add compelling stereo audio with the HP Speaker Bar; create a multi-monitor setup using the HP USB Graphics Adapter, which enables quick and easy connections between the monitor and PC through USB.

Peace of mind

The HP LE2201w monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP business products. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals around the world.
