

## *chapter* 2

# ILLUSTRATED PARTS CATALOG

This chapter provides an illustrated parts breakdown and a reference for spare parts for the Compaq iPaq Family of Internet Devices.

## 2.1 System Unit

## System Unit

Description	Spare Part Number	Warranty Tier
❶ Speaker grill	170230-001	B
❷ Front bezel with power switch board and power switch cable	170231-001	B
❸ Top vent with (2) mounting screws	170233-001	B
❹ Side Panel kit. Includes left and right panels	170234-001	A
❺ Multibay bezel blank (dummy multibay device)	174441-001	B
❻ EMI cover	Not spared	
❼ Speaker assembly	170232-001	B
❽ Power supply with (3) mounting screws	163555-001	A
❾ Chassis assembly (reference only)	Not spared	
❿ Chassis access panel with plastic trim and memory plastic protector	174440-001	A

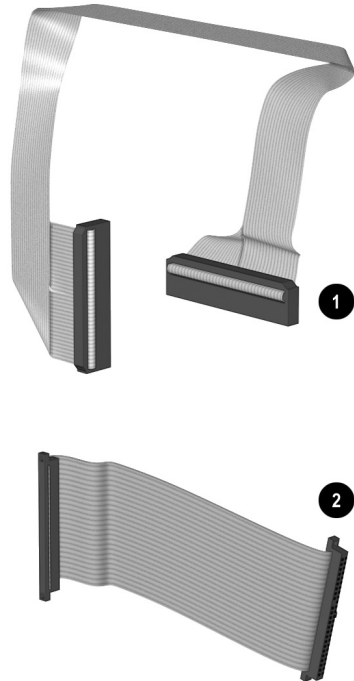

## 2.2 Mass Storage Devices

### Mass Storage Devices

Description	Spare Part Number	Warranty Tier
① 4.3-GB Hard drive	161431-001	A
* 8.4-GB Hard drive	163804-001	A
② 6.0-GB Hard drive (MultiBay device) with drive adapter	174089-001	A
* 24X CD-ROM drive (MultiBay device)	100044-001	A
③ 4X DVD-ROM drive (MultiBay device)	102266-001	A
④ LS-120 drive (MultiBay device)	174129-001	A
* MultiBay hard drive carrier	175369-001	A
*Not shown.		

## 2.3 Cables

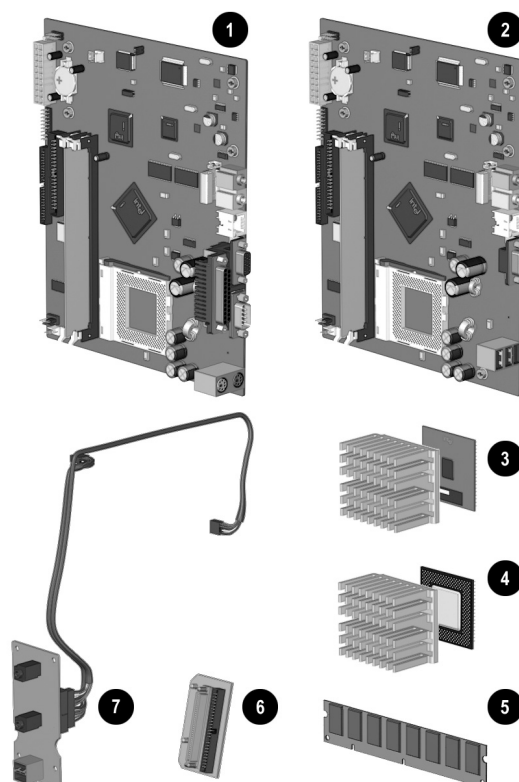

### Cables

Description	Spare Part Number	Warranty Tier
① Hard drive cable assembly	170225-001	B
② MultiBay cable assembly with adapter board, ejector lever, spring, and (2) board mounting screws (Cable only is shown)	170227-002	B
* AC Power cord, U.S.	142766-001	A
* AC Power cord, United Kingdom	121259-001	A
* AC Power cord, Germany, France, Netherlands	285810-001	A
* AC Power cord, Switzerland	292657-111	A

\*Not shown.

Note: The balance of the cables are spared with the daughter cards.

## 2.4 Standard and Optional Boards

### Standard and Optional Boards

Description	Spare Part Number	Warranty Tier
① System board, Pentium III, Legacy free with cache	166361-001	B
* System board, Intel Celeron, Legacy free	166362-001	B
② System board, Pentium III, Legacy light with cache	166363-001	B
* System board, Intel Celeron, Legacy light	166364-001	B
③ Processor, Intel Pentium III, 500/100 with heatsink	166365-001	B
④ Processor, Intel Celeron, 500/66 with heatsink	166366-001	B
⑤ Memory module, 32 MB/100 MHz	166890-001	A
* Memory module, 64 MB/100 MHz	179190-001	A
* Memory module, 128 MB/100 MHz	166966-001	A
* Memory module, 256 MB/100 MHz	141009-001	A
⑥ MultiBay adapter board with (2) mounting screws, ejector lever, and spring.(Only adapter board shown here)	170227-002	B
⑦ Audio board with (4) mounting screws and cable	170229-001	B

\*Not shown.

## 2.5 Keyboards

Keyboards		
Description	Spare Part Number	Warranty Tier
Internet keyboard, PS2, French*	173347-051	A
Internet keyboard, PS2, German*	173347-041	A
Internet keyboard, PS2, Swedish/Finnish*	173347-101	A
Internet keyboard, PS2, Swiss*	173347-111	A
Internet keyboard, PS2, United Kingdom*	173347-031	A
Internet keyboard, PS2, U.S.	173347-001	A
Internet keyboard, USB, French*	164995-051	A
Internet keyboard, USB, German*	164995-041	A
Internet keyboard, USB, Swedish/Finnish*	164995-101	A
Internet keyboard, USB, Swiss*	164995-111	A
Internet keyboard, USB, United Kingdom*	164995-031	A
Internet keyboard, USB, U.S.*	164995-001	A
*Not shown.		

## 2.6 Miscellaneous Parts

### Miscellaneous Parts

Description	Spare Part Number	Warranty Tier
① Mouse, PS2	165000-001	A
① Mouse, USB	164999-001	A
② Speaker grill	170230-001	B
③ RTC Battery	234556-001	A
④ Front bezel with power switch board and power switch cable	170231-001	B
⑤ Top vent with (2) mounting screws	170233-001	B
⑥ Side panel kit. Includes left and right side panels	170234-001	A
⑦ Speaker assembly	170231-001	B
⑧ Multibay bezel blank (dummy multibay device)	174441-001	A
⑨ Multibay hard drive carrier	175369-001	A
* Shipping box	159688-002	D

\*Not shown.

## 2.7 Documentation

### Documentation (not shown)

Description	Spare Part Number
<i>Maintenance &amp; Service Guide</i>	170235-001
<i>Service Reference Guide</i>	152611-001
<i>Illustrated Parts Map</i>	170494-001
