HP's most stable and secure business PC, designed to fit your specific business needs

HP Compaq 8000 Elite Desktop PC series

Make the most of your hardware investment with the HP Compaq 8000 Elite. Engineered to meet your enterprise computing needs, from lengthy life cycles to stable hardware and software images, this platform delivers the technology you need.

The power to perform
Designed for maximum performance and productivity with Intel® processors, chipset and Graphics Media Accelerator, genuine Windows 7, DDR3 SDRAM memory, RAID 1 data mirroring and standard independent dual monitor support so users can work more efficiently.

HP's maximum manageability
Maximize productivity in your managed IT environment and allow for more efficient planning, deployment and transition of PCs with many free value-add management tools. The 8000 Elite supports industry standard remote management protocols including DASH 1.0; DASH 1.1 is available with an optional Broadcom NIC. Available Intel Core™ 2 processors with vPro™ Technology enable out-of-band management, making remote PC support possible without a working operating system environment.

Depend on 15-month minimum purchase lifecycles, image stability and client management solutions to fit every enterprise. Proactive HP Product Change Notifications are available so you can be alerted to any system or image changes up to 60 days in advance, to minimize surprises or downtime.

Built for efficiency
Lower your operating costs with energy efficient features and improved power saving technology such as new processors, 89% (CMT and SFF) and 87% (USDT) efficient power supplies, a Solid State Drive and power management solutions supporting lower energy usage and costs. The HP Compaq 8000 Elite meets or exceeds many voluntary and mandatory global environmental regulations and standards.

Built to protect
HP ProtectTools™ Security Software Suite comes standard, helping you more safely secure your hardware, software, firmware and OS. A standard embedded TPM 1.2-compliant security chip provides hardware-based encryption capabilities to help enhance data protection.

With a choice of three flexible form factors, the HP Compaq 8000 Elite is the right choice today.

HP Compaq 8000 Elite Desktop PC series

Recommended accessories and services

HP USB PS2 Washable Keyboard

The HP USB/PS2 Washable Keyboard is well-suited for environments that require keyboards to be immersed and cleaned with solvents.

Product number: VF097AA

HP 2-GB PC3-10600 (DDR3-1333 MHz) DIMM

Maximize your Business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor.

Product number: AT024AA

ATI Radeon HD 4550 DH PCIe x16 Graphics Card

The ATI Radeon HD 4550 DH PCIe x16 Graphics Card provides a Low Profile, PCI Express x16 graphics add-in card based on the ATI RV710 Graphics Processor. It supports Dual Display video output through its DMS-59 and TV-Out connectors.

Product number: AT042AA

HP 1-TB SATA (NCQ/Smart IV) 3.0-Gb/s Hard Drive

HP Serial ATA Hard Drives maximize the performance of HP Business PCs by providing the technologies to meet your increasing storage demands with high-capacity drives offering superior reliability and performance.

Product number: VU353AA

HP Business PC Security Lock

This handy device ensures your desktop PC remains exactly where it is by locking the chassis cover and securing it to an anchor point. The steel loop cable is also designed to prevent unauthorised removal of keyboard, monitor and all peripherals.

Product number: PV606AA

---

3 years Next Business Day Onsite with Defective Media Retention, excl. External Monitor, HW Support

HP Care Pack

Retain your defective media for disposal in a way that meets your security standards, and receive high quality onsite and remote support from HP.
