Lenovo makes no representation or warranty regarding third-party products or services. Lenovo may not offer the products, services or features discussed in this document in all countries. **Footnotes: [1] Windows Vista:** Not all Windows Vista features are available for use on all Windows Vista Capable PCs. All Windows Vista Capable PCs will run the core experiences of Windows Vista, such as innovations in organizing and finding information, security, and reliability. Some features available in premium editions of Windows Vista—like the new Windows Aero™ user interface—require advanced or additional hardware. Check www.windowsvista.com/get ready for details. **[2] Hard disk drive:** GB=1,000,000,000 bytes. Accessible capacity is less; up to 4 GB is service partition. **[3] Models with 4GB Memory:** Total accessible memory will be less and will vary depending on the system configuration. [Maximum capacity may require purchase of optional component. **[4] Full-size Keyboard:** As defined by ISO/IEC 15412. **[5] Included Utilities:** may differ from its retail version (if available) and may not include user manuals or all program functionality. License agreements may apply. **[6] Operating System:** Level of support varies by operating system. Operating systems not preloaded on the system may not provide full feature functionality. Refer to lenovo.com/pc/support and enter your machine type and model number for more information. **Energy Star:** As an Energy Star Partner, Lenovo has determined that this product meets the Energy Star guidelines for energy efficiency. **Trademarks:** The following are trademarks of Lenovo: Lenovo, the Lenovo logo, Access Connections, Active Protection System, Rescue and Recovery, System Migration Assistant, ThinkCentre, ThinkVantage, ThinkVision. Lotus Notes is a registered trademarks of IBM and is used under license. Microsoft, Windows and Vista are registered trademarks of Microsoft Corporation. Java, JRE and all Java-based trademarks are trademarks of Sun Microsystems, Inc. in the United States, other countries, or both. Linux is a trademark of Linus Torvalds in the United States, other countries, or both. Other company, product and service names may be trademarks or service marks of others. Celeron, Celeron Inside, Centrino, the Centrino Logo, Core Inside, Intel, Intel Logo, Intel Core, Pentium and Pentium Inside are trademarks of Intel Corporation in the U.S. and other countries.
