

CP100 SPEAKER

FEATURES

- 100-watt output power.
- Highly polished, stainless steel speaker.
- Designed for mounting on or through the bumper of large apparatus.
- Traditional design.
- Polished finish compliments apparatus chrome accessories.
- Rugged, durable construction provides easy speaker maintenance.

Traditional Look, Exceptional Sound

The CP100 speaker provides the sleek traditional look of a highly polished stainless steel and outstanding audible warning.

The rugged and durable design of the CP100 make it reliable and easy to maintain.

This 100-watt high output speaker can be mounted directly onto the bumper surface or through a cut out in the bumper. Either option provides a finished appearance that is sure to accent the polished accessories common to large apparatus vehicles.
