Power in Your Pocket

J500

This affordably priced recorder is not only slim, stylish and very compact, but it also features the convenience of Cue Mark indexing. By inserting Cue Marks, you can quickly access your recordings during playback, and save time when transcribing. The 3-LED battery indicator lets you keep a constant check on power levels.

- VCVA (Variable Control Voice Actuator)
- Automatic recording level control system
- Cue mark (Index)
- Fast play
- Tape counter
- Combined external microphone and earphone jack
- 3-LED battery indicator

Ultracompact Style

J300

A smart, ultracompact and lightweight addition to our Pearlcorder line. The J300 boasts VCVA (Variable Control Voice Actuator) and automatic recording level control systems, as well as Fast Play and Quick Review capability. It's an ideal choice if you're looking for all-round recording performance in a handy, easy-to-carry size.

- VCVA (Variable Control Voice Actuator)
- Automatic recording level control system
- Fast play
- Tape counter
- Combined external microphone and earphone jack

Real-Time Recording

S950

The S950 puts real-time recording and dictation features in the palm of your hand. Automatic indexing marks the date and time that each recording is made, and there's an extra-large LCD panel to display the clock and tape counter. With its sleek, ergonomic lines, the S950 is a stylish little tool that gives business communications a big boost.

- Automatic date/time indexing
- Extra-large LCD w/clock and tape counter
- Cue mark (Index)
- VCVA (Variable Control Voice Actuator)
- Fast play
- Pause

Uninterrupted Brain-Storm Recording

The Art of
Business

S830

The S830 is a sleek new business tool that lets you dictate letters and memos wherever you are. It's ultra-compact and lightweight, and ready to travel anywhere at a moment's notice. It's like having a round-the-clock personal assistant to help you take care of important correspondence when you're out of the office.

- Fingertip control slide switch
- Tape counter
- LED indicator

The PA's
Personal Assistant

DT1000

The DT1000 is equipped with a range of features designed to make office life easier – for every-one. Tape speed can be adjusted within a range of –15%~+30% to suit the speaker's – and the transcriber's – pace. A monitor speaker in the clutter-free micro-phone/hand controller unit simplifies recording checks in conference situations, and the three-pedal foot switch has an adjustable auto backspace function.

- Tape speed control
- Quick erase
- Three-pedal foot switch
- Adjustable auto backspace
- Hand controller w/built-in microphone & monitor speaker
- Optional telephone recording pickup

Microcassettes

Invented by Olympus, the Microcassette is the most popular dictation cassette worldwide. Whatever your needs, you will find the ideal choice in the wide variety of Olympus Microcassettes.

① Microcassette XB-30 – Everyday use and good for answering machines too.

② Microcassette XB-60 – Provides excellent natural sound over a wide range of general-purpose applications. 60 min. recording time at 2.4 cm/sec., 120 min. at 1.2 cm/sec.

③ Microcassette XD-60 – Excellent for repeated dictation use. 60 min. recording time at 2.4 cm/sec., 120 min. at 1.2 cm/sec.

④ Microcassette XZ-90 – For extra-long recording. 90 min. at a speed of 2.4 cm/sec. and 180 min. at 1.2 cm/sec. Recommended for meetings, seminars or interviews.

MC-C2 – Wet-type head cleaner. Uses high-performance cleaning tape and fluid to remove head contamination.

MC-C2
