Prices subject to change without notice.
Minimum order \$25.
Prices are in U. S. funds.

CONTENTS

- Section 1 — Tooling Components
- Section 2 — Chuck Jaws
- Section 3 — Modular Fixturing (MF)
- Section 4 — Power Workholding (CLR)

Part numbers are listed in alphabetical order by their product-family suffix, then in numerical sequence within that family. Metric part numbers (CLM-) are listed immediately after the corresponding USA part number (CL-). Drill bushing prices are listed in the Carr Lane web catalog, not in this price list.

A black and white photograph showcasing a wide variety of custom metal fixtures and jigs. The collection includes several large, rectangular blocks with dense patterns of circular holes, likely for clamping or alignment. There are also circular plates with similar hole patterns. Smaller components, such as V-blocks, angle brackets, and specialized clamps, are scattered in the foreground. The items are arranged on a plain white background, highlighting their diverse shapes and sizes.
