PRICE LIST

REPLACEMENT PARTS

AND SUPPLIES

The replacement parts in this price list are available only for the service and repair of Hewlett-Packard instruments. Consumable supplies and items with prefix 5082- are excepted, as they are not considered replacement parts. Dimensions provided in the descriptions of parts may be approximate. Identification drawings can be prepared if required; prices on request. Allow three weeks for delivery.

Any prices in the "EUROPE" column are for use in Europe only. All other areas will use the figure under the "PRICE" heading.

ORDERING INSTRUCTIONS

Hewlett-Packard Sales offices are located in or near most Manufacturing Centers in the U.S. and Canada, and in principal cities overseas. (See inside front and back covers.) Please contact your nearest HP Sales Office for latest price and delivery information.

To assure that you receive the correct part for your instrument, please specify:

1. Hewlett-Packard part number
2. Complete description

If the HP part number is unknown, please indicate Instrument Model and Serial Number, including prefix, Schematic diagram circuit reference, or other descriptive information to help in proper identification.
