GENERAL TERMS AND CONDITIONS

- I. Quotations are subject to changes without notice, according to fluctuations in the prices of raw materials, labour, or any causes beyond our control, and all orders are subject to our acceptance.
- 2. All prices quoted are f.o.b. British Port, sterling against documents in London unless otherwise arranged.
- 3. Every endeavour will be made to effect delivery by the date specified, but no liability is accepted for failure or delay through reasons outside our control.
- 4. The products manufactured by Marconi Instruments Limited, St. Albans, are warranted to be free from defects in workmanship and material, and any product which proves so defective within 18 months of despatch to the original purchaser or within 12 months of receipt by or installation for the original consignee whichever is the lesser period, shall be repaired or replaced free of charge provided:—
 - (a) the purchaser sends promptly to Marconi Instruments Limited notice of defect and satisfactory proof thereof establishing that the product has been properly maintained and operated within the limits of rated capacity and normal usage, and
 - (b) assumes the obligation of all expenses of returning the defective product to the St. Albans works, if required.

On parts or products not manufactured by Marconi Instruments Limited, St. Albans, this warranty is limited to extending to the purchaser the same warranty as given by the supplier of such parts or products. The foregoing warranties are in lieu of all other warranties expressed or implied. Under no circumstances shall Marconi Instruments Limited have any liability whatsoever for loss of use or for any indirect or consequential damages.

5. While every effort is made to ensure that the latest specification is made available, we reserve the right to incorporate new features and to supply products which may not be strictly in accordance with the specification agreed upon.
