

The world's FASTEST color printer...

...provides color printing at a price everyone can afford!

Introducing the HC5000 Full-Color Printer with FORCEJET™ Technology:
Full-color communications for everyone, everyday!

Amazing 105 pages per minute in full color!

•
Incredible low cost!

•
11" x 17" printing and copying!

The opportunities and possibilities are endless with the HC5000!

Exceptionally High Volume

Monthly volumes up to 250,000 provide a fast return on investment, whether in a facilities management site, central reproduction department, or as a departmental or office printer.

High-Performance Embedded Controller

A 40GB hard drive, a powerful 1.2 GHZ processor and Adobe® PostScript® 3™ compatibility guarantee that all jobs—from simple to complex—are handled with ease.

Scanning Capabilities

11" X 17" scanning and enhanced efficiency and simplicity complete the total color printing solution. Brochures, proposals, letters, maps, textbooks and photos can all be scanned in vivid, sharp color at the touch of a button.
