

One For All SimpleSet

Before you test the remote, please make sure to **switch on all the devices** you would like to control.

To test your remote simply follow these 3 steps:

- 1** Press and hold the **"SETUP"** key until the LED blinks twice

- 2** Press the **"Device key"** you would like to test. e.g. TV for a Samsung TV

See below for the devices that can be assigned to each key

TV

TV, LCD, Plasma, LED, etc.

PVR

Sat/Cable, DVB-T, Freeview, TNT, TDT, Media Player, etc.

DVD

DVD, Blu-ray, VCR, Combi VCR/DVD, MDD, etc.

EXTRA

Amp, Receivers, Home Cinema, CD, etc.

Please make a note which of your devices is stored under which device key

- 3** While pointing towards the device, please press and hold **"⏻ POWER key"** on the Simple remote until the selected device switches off. (release the **"⏻ POWER key"** as soon as your device switches OFF.)

In case you want to set up more equipment, please simply repeat steps 1, 2 and 3

If you encounter problems with the remote not controlling your device fully, simply switch your device back ON manually (or using the original remote) and repeat step 1, 2 and 3, making sure to release the **"⏻ POWER key"** as soon as your device switches OFF.
